AYER'S CATHARTIC PILLS

CATHARTIC PILLS

A RE YOU SIGE FEEBLE AND COMPLAINING Are you out of order, with your system derang ed, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humorspurify the blood, and let the finles move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs; producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent; in this trivial and common cympandint, is also true in many of the departed and angerous distempers. The same purgative effect expels them. Caused by similar obstructions and dengerous distempers. The same purgative effect expels them. Caused by similar obstructions and dengerous distempers. The same purgative effect expels them. Caused by similar obstructions and ferrangements of the natural functions of the body, they are rapidly, and many of them surely; cured by the same means. None who know the virtues of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dr. Ater: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

As a Family Physic.

From Dr. E. W. Curtwright, New Orleans.
Your Pills are the prince of purges. Their excel lent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of diseass.

Dark Bro. Atra: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purpative medicine I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Dr. J. C. Atra: Sir: I have been repeatedly cured of the worst headache anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Billious Disorders-Liver Complaints.

From Dr. Throdere Bell, of New York City.

Not only are your Pills admirably adapted no their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billious complaints than any one remely I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,

Washington, D. C., 7th Feb., 1800.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hestitate to say they are the best cathartic we employ Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billious disease so obstinate that it did not readily yield to them.

Fraternally yours.

ALONZO BALL, M. D.

Physician of the Marine Hospital Dysentery, Diarrhoca, Helax, Worms

Dysentery, Diarrhoa, Relax, Worms From Dr. J. G. Green of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ver found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billious dysentery and diarrhou. Their sugar-coating makes them wery acceptable and convenient for the ness of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. Aver: I have used your Phils with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the care of confessess. If others of our fraternity have found them as efficacions as I have, they should join me in proclaiming it for the enerty of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe converses to originate in the liver, but your Pills affect that organ and cure the disease.

rom Mrs. E. Stuart, Physician and Midwife, Boston 1 find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural scretions when wholly or partially suppressed, and riso very effectual to cleanse the stomach and colored worms.
